Commercial Recessed

Troffers

CPX™ from Lithonia lighting is the perfect choice for a quality LED panel at an affordable price. The smooth, even lens projects a crisp and clean aesthetic. CPX is the perfect choice for budget-conscious school, commercial office, or small retail footprint projects.

Downlighting

The 8", 6", 4" & 3" Wafer™ LED Downlight with switchable white technology provides high-quality light output and efficiency featuring a switch for easy color temperature adjustment - while eliminating the need for recessed housings.

Industrial

High Bays

The JEBL is built to last with 6kV surge protection standard, 55°C ambient temperature rating, and IP65 rated for elimination of dust, moisture and airborne contaminants. The unique, quick-connect driver-to-optical assembly interface allows for quick and easy maintenance for applications including warehousing, gymnasiums, manufacturing and outdoor canopies.

Vapor Proof

The XVML LED vapor-tights from Lithonia Lighting® provide a cost-efficient enclosed-and-gasketed fixture designed specifically for demanding environments. The XVML LED vapor-tight is an easy-to-install, low-cost solution for wet locations and stands up to dust and dirt with its IP66 rating.
